Hi guys. I can make it and listen in to the first chunk of this meeting with negotiations prep starting at 11:30am. Sorry for the late notice. Susan, if you hadn't already heard from Pat: because of my ongoing negotiations conflicts, Eric is going to be developing the final permit and response to comments document for South Fork. It doesn't make sense to push this meeting for my sake because my availability may not get "better" this month 😊.
